Engaged, Involved, and Making a Difference

The Cumberland County Council of Republican Women (CCCRW) is a group of active, engaged women who are dedicated to both community and Party Service.

The Council is united by the common goals of:

-  Strengthening the Party
-  Advancing women in political knowledge and political activity
-  Promoting honest government and unselfish patriotism

The Cumberland County Council meets 5-6 times throughout the year to conduct business, listen to guest speakers, and socialize. We have an annual Lincoln Day Dinner in February of each year which serves as our major fundraiser.

We use our funds to support Republican candidates who represent Cumberland County and cover associated expenses of the Council. The Council also selects a local non-profit organization each year to support with our time, talent, and resources.

We would love to have you join us as a member.

Join the Fun!
